Re: Specifications of Monitoring Wells in Lee's Lane Landfill  
Superfund Site  
Louisville, Jefferson County, Kentucky

Dear Mr. Neumayer:

It was a pleasure meeting you during my visit to Lee's Lane Superfund Site with Patty Fremont on November 10 1992. As you requested, enclosed you will find the specifications of the monitoring wells installed at the site. The enclosed material was copied from the Statement of Work and Technical Specifications for Drilling Services of Lee's Lane dated September 1987.

If you need any further information regarding this document or Lee's Lane Site feel free to contact me at (404)347-7791.

Sincerely,

Liza I. Montalvo, RPM  
North Superfund Remedial Branch
